

**BREAKING NEWS! INTRODUCING A NEW PRINT
MAGAZINE 100% DEDICATED TO
OHIO HIGH SCHOOL FOOTBALL!**

REQUEST FOR INFORMATION FROM FRIDAY NIGHT FOOTBALL OHIO MAGAZINE

Greetings from **Friday Night Football** magazine! We are already preparing our inaugural 2017 annual edition which will include **EVERY VARSITY** program in Ohio! We are very excited to bring this magazine to your state for the first time.

Loaded with statistics and information, this "Who's Who" of high school football spotlights players from each school and uncovers the traditions, community support and special atmosphere that make high school football so unique. Printing in full color and in a large format (10" x 12"), it will become a keepsake everyone will want!

In order for the magazine to be the best it can be, we need your assistance.

We are requesting that you complete the following **FREE** online questionnaire by **Friday, March 10, 2017**. **The process will take less than 10 minutes!**

We realize the deadline is early, but due to production deadlines it is important you complete it by March 10 so we can ensure your questionnaire is as complete as possible.

There is so much we want to ask you in the questionnaire, but because your time is limited, we focused our questions on the most important topics. Please take a moment to tell us about your program and your student-athletes. The more information we have, the better your team's outlook will appear.

Because we appreciate your involvement, here are some direct benefits of your participation:

- Names, Names, Names! The more you submit, the more we'll fit.
- You will receive a free copy of FNF magazine for our assistance!
- Also, if you are interested in placing YOUR team on the Front Cover of FNF magazine, please visit www.customcoverproject.com, a no-risk program that can get your team on the cover of its very own magazine!

Thank you in advance for your participation. With your help we will be able to showcase your program to the entire state. If you have any questions, please feel free to contact us using the information below.

We look forward to serving you in 2017.

RECOGNIZE SOMEONE IN YOUR PROGRAM. In this year's magazine, we plan to feature people who work behind the scenes to help high school football programs. These people include: longtime assistant coach, ticket booth operator, booster club member, PA announcer, longtime trainer, sportswriter who covers your program, radio announcer, school administrator, longtime fan, etc. Now is your chance to recognize one or more individuals below. Please provide a reason why you are recognizing them as well.

Is there a unique story on your team that is worth pursuing? Has any player overcome obstacles to become the person/player he is today? Do any players have interesting interests outside of football? Who is the player who deserves to have his story told?
